

Sterling Grade School Title I Information

Sterling Grade School is a school-wide Title I school. The Title I program is a federally funded program that provides additional staff and resources to help students learn. Being a school wide Title I school allows Sterling Grade School Title I teachers to help any student needing assistance in the areas of math and reading. The teachers involved with the program are Mrs. Comley, Mrs. Humphreys, and Ms. Fair. These teachers work with children in a variety of settings such as: literature groups, math groups, and small math and reading groups both inside and outside the regular classroom. If you have any questions regarding the Title I program at Sterling Grade School please contact Brennan Riffel at 278-3112.

State Assessment Scores Notice

Parents are reminded that they have free access to grade cards and state assessment scores at any time during school hours. Copies of state assessments and grade cards are sent home but to request additional copies please contact the grade school office at 278-3112. As an added convenience we have the Pro-Link feature as an option for parents to view their child's classroom grades over the internet. Please contact the Sterling Grade School office for details on how to sign up for the Pro-Link feature.

Notice of Professional Qualifications of Teachers

Parents have a right to request information regarding the professional qualifications of their child's classroom teacher. If you would like to see this information please contact Brennan Riffel at the Sterling Grade School office.
