

# Sterling High School

**Course Name: French I**

**Department: Foreign Language**

**Teacher: DeWerff**

---

**Prerequisites:** None

**Additional Required Materials:** Dictionary

**Course Description:** The aim of French I is to provide students with a strong foundation for learning a foreign language as it is spoken and written today. French I will also increase students' awareness and understanding of countries where French is spoken, its people, and its culture. Major emphasis is given to developing the students' basic language skills, listening comprehension, speaking, reading and writing.

**Exit Outcomes**

1. The student will communicate competently in French.
2. The student will gain knowledge and understanding of French culture.
3. The student will make connections to other disciplines and to authentic sources through knowledge of French.
4. The student will develop insight into the nature of language and culture.

5. The student will participate in multicultural communities at home and around the world.
